Preface

The One-Day International matches brought a revolution in cricket. In a very short span, the instant cricket has not only gained tremendous popularity and seen many glorious feats but has also enriched the roots of cricket and generated interest in the other parts of the world where it had no affinity, charm and scope to develop.

Since the introduction of World Cup in 1975, Limited over cricket has attained the new heights of popularity. Now it has become inevitable to arrange a series of One-Day International matches, during a Test-series all over the cricket-world. In Australia, a triangular contest between the host and two invited countries has become an integral part of their domestic season. India has initiated a new tradition when she played a series of one-day matches with Australia in 1984-85 to commemorate the Golden Jublee of Ranji Trophy. In past two-three years, Sharjah has become a delightful venue of one-day cricket. It not only hosted a number of international competitions in this short period but also earned appreciation for its hospitality from all participating countries.

One-day cricket is a game of glorious uncertainty. There were many breath-taking instances when the equation of prowess seemed to be in balance, till the last ball was bowled. It is still fresh in the minds of thousands of cricket lovers, how Javed Miandad had changed the fortune, hitting a towering six off the last ball of the match against India in the final of Australasia Cup at Sharjah in 1985-86.

The fourth World Cup Cricket tournament is going to be held in India and Pakistan in October-November 1987. There is no book available on one-day cricket internationals, in the market as far as I know. This makes me collect and compile all the records, of one-day international matches, played so far, in such a way, which could cover every statistical aspect of the game.

I am very grateful to Mr. I U Khan—MP state panel cricket umpire, who has provided me score-cards of some of the matches, played outside India. Mr. Harendra Nagesh Sahu has also been of immense help to me, in giving available suggestions to cover all the interesting feats. I offer my gratitude to them.

I am extremely thankful to my younger brother Aditya Khare who assisted me to incorporate the figures in tabulated-form. I also extend my gratitude to Mr. Mahesh Tiwari, who did an arduous job of typing the script.

I am extremely grateful to Mr.Mushtaq Ali and Shri Chandu Sarwate, who accepted my request to write the forewrd. I also offer my thanks to the publishers for the decision to publish the book in a very short period.

Foreword
By
Mushtaq Ali

I am grateful to Mr. Arun Arnaw for giving me the honour of writing the foreword for his book. He came to me with his manuscript and importuned me to write the foreword for it.

One-Day Matches have attained new peaks of popularity and now they are becoming popular even in those countries where Cricket is not played. Mr. Arun Arnaw deserves admiration for performing a praiseworthy task of compiling a book on One -Day Cricket Matches. This book covers all aspects regarding One-Day matches, like some essays on brief history of One-Day Matches, different One-Day Competitions held till now followed by the complete data on score card of One-Day International Matches played so far, names of the batsmen who scored century, the bowlers who performed wonderful feats and the matches decided on the last ball. A separate chapter has been devoted to the career figures of all players who have played in One-Day International Matches. The last few chapters present entire data of three world cup competitions. On the whole, Mr. Arnaw has left no aspect of One-Day Cricket untouched.

There is an abundant, interesting material for those interested in the data of cricket. This book can prove of great help to the commentators also. I have also read Mr. Arun Arnaw's book 'Asiad Games', in which he has given a detailed description of the Asiad Games.

Mr.Arun Arnaw's style of writing is very compact and his endeavour is apparent from the book. It has become possible only due to his dedication. Inspite of being an engineer graduate, he has an unusual liking for sports.

I congratulate Mr. Arun Arnaw and express my good wishes for the success of this book.

Foreword
By
Chandu Sarwate

The Author Shri Arun Arnaw has brought out an excellent Book 'One-Day International Cricket Records'. He has covered all One-Day matches from 1970-71 to April 1987. The book contains Match by match Score-Card with the winners of the Man of the Match award. Interesting records such as Victory off the Last Ball, Maximum Runs Off an Over, Fastest Scoring, Centuries, Century partnerships etc. add colour to Statistical Digest. It is obvious that Shri Arun has put in a lot of labour and research work. The complete career records of all players who participated in One-Day Internationals and World Cup Records regarding batting, bowling and fielding have also been incorporated in this fine compilation.

The Digest will be very useful to cricket fans, sports writers, commentators, scorers and statisticians. It should find a place in any sports library.

Shri Arun regularly contributes interesting articles in sport magazines. He has written a good book on Asian Games in Hindi. Shri Arun is an engineer and is working in the Public Health Engineering Department of the Government of MP. But his hobby is writing on cricket because he loves the game.

One Day Internationals

(Brief History & Important Competitions)

The first ever Limited Over Match was played between Australia and England at Melbourne in 1970-71. It is surprising to know that the One-Day International cricket arrived on the cricketing map by chance. The third test between Australia and England was scheduled to be played at Melbourne from December 31, 1970 to January 5, 1971, but due to continuous rain for three-days it had been decided to abandon the test and in place to arrange a 40-Over (8-ball per over) match between the two rival teams on the final day of the washed-out test to compensate the Melbourne Cricket lovers for the loss of cricket.

Thus the first-ever One-Day International was played at Melbourne on January 5, 1971. Australia won the match comfortably by 5-wickets with 5.2 overs to be bowled. England who was put into bat by Aussies skipper Bill Lawry scored only 190 runs in 39.4 overs. John Edrich who was later adjudged man of the match hit a delightful 82 chasing England's modest total. Australian batsmen reached their target in only 34.6 overs losing just 5-wickets. This match was watched by a crowd of nearly 46,000.

After successful launching of one-day cricket into cricketing plateform, the Limited Over Cricket immediately gained popularity all over the cricket-world. It has become inevitable in a very short span to accommodate a series of one-day matches in every tour programme. The table A is showing the references of first ever one-day international played in every test-playing country:

The One-Day International Matches for Prudential/Texaco Trophy in England, Benson and Hedges World Series Cup in Australia, Guinness Trophy in West Indies Rothmans Trophy in NewZealand Charminar Challenge Cup in India, Wills Series Cup in Pakistan and Rothmans Cup in Sri Lanka, are regularly played. Besides Sharjah has become a regular venue of one day matches in past 2-3 years. Moreover it has also earned a reputation of the most cordial host among the cricketing countries

In 1975, The Prudential World Cup for limited-over cricket was introduced Eight teams including Sri Lanka and East Africa apart from six full members of

ICC took part in the championship. Under the leadership of Clive Lloyd, West Indies proved themselves worthy winners of the glittering Trophy, defeating Australia in the final. The second World Cup also held in England in 1979 and once again West Indies reigned supreme. In the third World Cup in 1983, India not only prevented West Indies from completing a hattrick but also achieved one of the most remarkable wins in her cricket-history. In the beginning of the World Cup none gave India any chance at all but India proved them wrong. Displaying skill, technique, courage, temperament, will and efficiency, India rose to the occasion and demolished England in semi final and West Indies in the final.

Some Important One-day Competitions

Prudential Trophy/Texaco Trophy

The Prudential Trophy series between England and touring teams to England, commenced in 1972. The sponsorship of the series was taken over by Texaco in 1984. The Matches are of 55-over per side. (For details *see Table-B* at page 12)

Benson & Hedges World Series Cup

A triangular world series cup competition came into light in 1979-80 Australian Cricket season. A qualifying group of 12 to 15 matches is played to decide the two teams to contest the final of best of 3 or best of 5 matches. The over-limit is 50 per-side. (For details *see Table-C* at page 13).

Wills/Charminar Challenge Cup

The One-Day International matches for Wills series were first time staged in India in 1981-82. The Wills remained as sponsor till 1982-83. In 1983-84, the manufacturers of 'Charminar' Cigarette took over the sponsorship. The matches are played either of 50 overs per side or as per number of overs bowled within the stipulated period. (For details *see Table-D* at page 14)

Cricket in Desert

The cricket in Sharjah began in 1981. The credit for introduction, goes to an Arab business man and enthusiast cricket lover Mr. Abdul Rehman Bukhatir, who not only made valient efforts to build the stadium in Sharjah but also appointed Asif Iqbal, former Pakistan's Cricket Captain as his Manager, to organise the matches regularly in Sharjah.

The noteworthy feature of Sharjah Cricket, is the introduction of Cricketers' Benefit Fund series, to benefit the cricketers of past and present. Another important feature of Sharjah-Cricket is the employment of neutral umpires to good effect.

The first international fixture was organised in Sharjah in April 1984, when

India, Pakistan and Sri Lanka Competed in the inaugural Asia Cup tournament. India walked away with winners trophy followed by Sri Lanka and Pakistan. Since then a number of one-day international competitions have successfully been held in Sharjah. (For details *see Table-E* at page 14).

Prudential World Cup

First World Cup: 1975

There were eight participating countries, and they were divided in two groups. Sri Lanka and East Africa joined the six test playing nations and the groups were composed as follows—

GROUP A: England, NewZealand, India and East Africa

GROUP B: Australia West Indies, Pakistan and Sri Lanka

The tournament was held in league cum knock-out basis. The teams within each group played each other and top two teams in each table qualified for the semi-final. The winners of group A played the runners up of group B in first semi-final while the runners up of group A met the winners of group B in the other. (For details *see league matches: Points Table (A)).*

England and NewZealand from group A qualified for the semi final while West Indies and Australia earned the distinction of reaching last four stage from group B. West Indies entered the final defeating NewZealand by 5 wickets, while Australia crushed England in an exciting and nail-biting finish by 4 wickets.

West Indies earned the honour of becoming first World Champions when they downed Australia by 17 runs in the final. West Indies skipper Clive Lloyd played an excellent innings of 102 runs in 108 minutes off only 82 balls.

Prince Phillip presented the Cup to the winning Captain Clive Lloyd

Second World Cup: 1979

The format adopted in the first World Cup remained the same. The two places were filled in by Sri Lanka and Canada who joined the six test playing countries in the main draw, after contesting a qualifying tournament.

Between 22 May and 16 June a qualifying tournament was organised for ICC Associate members. 14 countries took part. Sri Lanka and Canada reached the finals of the competition and thus qualified for the main tournament.

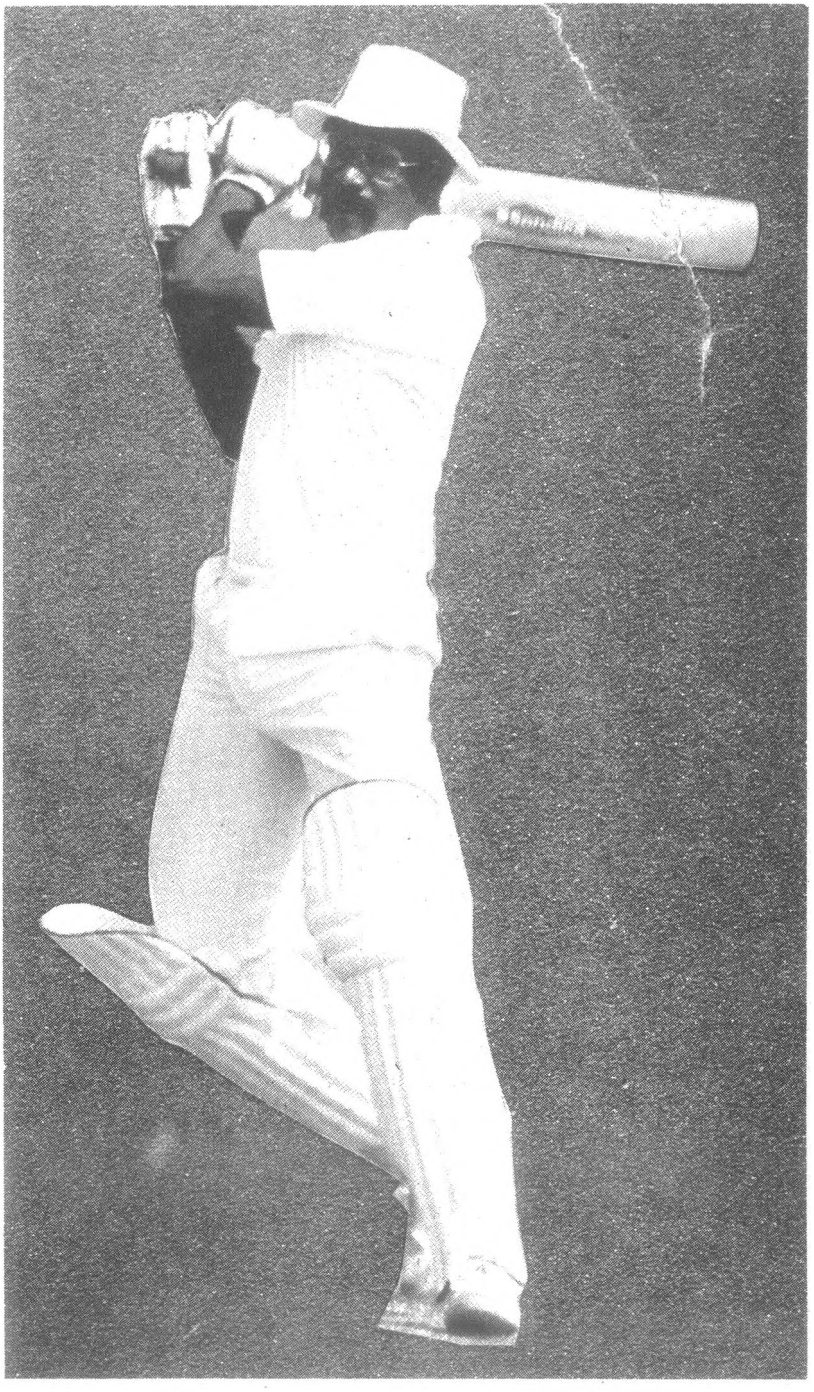
Eight participating teams were divided in two groups as below:

GROUP A: England, Australia, Pakistan and Canada

GROUP B: West Indies, NewZealand, India and Sri Lanka

In league Matches England won all their fixtures easily—defeating Australia by 6 wickets, Canada by 8 wickets and Pakistan by 14 runs. Canada registered a new World Cup record for Lowest Innings total when they were shot out by England for 45 runs in 40.3 overs.

The league match between West Indies and Sri Lanka was washed out without a ball being bowled. In other matches West Indies over-whelmed India by 9 wickets and NewZealand by 32 runs.



Clive Lloyd *— An excellent captain and an excellent batsman*

India's performance was miserable. She not only suffered defeat at the hands of West Indies and NewZealand but also lost to Sri Lanka. Handicapped by the absence of skipper Tennekoon, Sri Lanka shot India out for only 191 runs in 54.1 overs with Tony Opatha (3/31) and D.S. De Silva (3/39) playing the role of chief-wreckers. Sri Lanka had scored 238 for 5 in stipulated 60 overs, with Sidath Wettimuny (67) Roy Dias (50) and Duleep Mendis (64), all scoring fifty-plus runs. (For details *see League Matches: Point Table (B)).*
England defeated NewZealand narrowly by 9 runs in one semi-final while West Indies had no difficulty in stream rolling Pakistan in the other. Chasing a target of 221 for 8 NewZealand could compile only 212 for 9 in allotted 60 overs. They required 25 runs from the last 3 overs to register a shocking-win, but it proved too great a task. They could muster only 15 runs from 3 overs bowled by Botham and Hendrick respectively.

In the Final, England did very little to stop West Indies from retaining the World Cup. They accepted the defeat without showing a sign of fighting. West Indies posted a total of 286 for 9 with Vivian Richards and Colis King displaying great skill and form. Collis King hit marvellous 86 in 77 minutes off only 67 balls while Vivian Richards' innings of 138 notout lasted 257 minutes. He played 157 balls and hit 3 sixes and 11 fours. In reply England's innings collapsed for 194 runs in 51 overs after Mike Brearley and Geoff Boycott had put on 129 runs for first wicket in 38 overs. Joel Garner the 'big bird' Captured 5 wickets for 38 runs off 11 overs.

Third World Cup: 1983

Shattering all calculations, observations and forecastings India took the Cricket World by storm, by becoming World-Champions. They displayed right skill, technique and temperament, batted purposefully and handsomely, bowled economically and efficiently and fielded brilliantly, enroute to top. They not only lowered the colours of mighty West Indians in the opening match but also dethroned them and prevented them from a hattrick.

The format remained unchanged except the preliminary group matches which were organised differently. To make the competition more effective and interesting each team played the others twice in the group on different venues. The two groups consisted following teams:

GROUP A: England, NewZealand, Pakistan, and Sri Lanka

GROUP B: Australia, West Indies, India and Zimbabwe

After completion of group matches, England, Pakistan, West Indies and India reached the last four stage. In the opening match India beat West Indies at Old Trafford, Manchester by 34 runs. Man of the match Yashpal Sharma Contributed a fine 89. At Trentbridge, Nottingham, newcomer Zimbabwe created major upset when they defeated Australia by 13 runs. Skipper Duncan Fletcher played key role in his team's victory. Scoring unbeaten 69 runs and Capturing 4 important wickets for 42 runs.

A century by Trevor Chappell and fine half centuries by Kim Hughes and Graham Yallop enabled Australia to overcome Indian challenge at Nottingham.

In the second round of matches, Zimbabwe gave India a jolt at Tunbridge Wells. Claiming 5 wickets for just 17 runs on the board. Then came an innings of life time from Captain Kapil Dev. He not only lifted India from the dust to match winning position, but also went on to record the highest individual score in Prudential World Cup matches. He batted for 181 minutes and hit 6 sixes and 17 fours. In his record breaking 175 notout. With Syed Kirmani he shared a partnership of 126 runs for ninth wicket—a new record. (For details *see League Matches: Points Table (C)).*

West Indies Scored an easy victory over Pakistan at the Oval while India outgunned England in the other. Mohinder Amarnath who contributed a useful 46 and pocketed 2 important wickets for 27 runs was declared Man of the Match

In the final, India beat West Indies by 43 runs. Once again Mohinder Amarnath played a vital role scoring 26 and picking 3 wickets for 12 runs. He was adjudged Man of the Match.

Benson & Hedges World Championship

A World Championship of cricket was organised in Australia in February-March, 1985 to celebrate the 150th anniversary of Victoria State. The seven test playing countries—England, Australia, West Indies, NewZealand, India, Pakistan and Sri Lanka took part. These teams were divided in two groups. England, Australia, India and Pakistan were placed in one group while West Indies, NewZealand and Sri Lanka formed the other.

Under the astute leadership of Sunil Gavaskar, who had already declared his intention to give-up captaincy at the end of the tournament, India stole the limelight winning all their five matches comfortably and with dictating ease. Batting, bowling and fielding sensibly and to a plan, India crushed NewZealand in the semi-final before pulverising Pakistan in the final. Pakistan entered the final defeating West Indies by 7 wickets. West Indies took third place, notching-up an easy victory over NewZealand in Plate winner's final.

(For details *see League matches: Points Table (D)).*

For India star all-rounded Ravi Shastri performed remarkably. He not only batted purposefully and as per the need, particularly in the later phase of the championship but also bowled intelligently and accurately. He scored 182 runs (2 Vs P, 13 Vs E, 51 Vs A,53 V NZ. 63 Vs P) bagged 8 wickets for 166 runs (0/27 Vs P, 3/30 Vs E, 1/34 Vs A, 3/31 Vs NZ, 1/44 Vs P) and caught 4 batsmen in the tournament. For his such excellent performance he was adjudged champion of champions and awarded an 'Audi' Car.

....There is an abundant interesting material for those interested in the data of cricket. On the whole, the writer has left no aspect of one day cricket untouched .

—Mushtaq Ali

....It is obvious that Shri Arun has put in a lot of labour and research work. The digest will be very useful to cricket fans, sports writers, commentators, scorers and statisticians. It should find a place in any sports library.

—Chandu Sarwate
